Dear Tom,

Further warrant for establishing the years-ago-suggested heading, ANARCHA-FEMINISM:

With best wishes,

Stanford Berman

**Quiet Rumours: An Anarcha-Feminist Reader**

\$11.95 • pb • AK Press  
1 902593 40 5

From consciousness-raising groups to hair-raising punk rockers, here's a fascinating window into the development of the women's movement, in the words of the women who moved it. These classic essays span the century, providing welcome context for feminism as part of a larger politics of liberation and equality. Critical analysis and biting polemic, whether it's Emma Goldman's attack on the suffrage movement or the debates of Second Wave feminists of the 1970s, connect the dots to show not just how anarchism influenced feminism, but how feminism changed the political landscape around it.
